

# KATERI PROGRAM ESY

JULY 8 TO AUGUST 16, 2019

## **Program details:**

Collier High School Kateri Program offers a NJ Department of Education approved Extended School Year Program. The program includes academic reinforcement, social skill development, related services including clinical counseling, career exploration, employment experience and recreational activities. Students complete course work for 21<sup>st</sup> Century Career Exploration and Personal Finance. The program is individualized to student need while maintaining a strong emphasis on developing a work ethic as it relates to the world of employment.
